Our newest model and the premier lapstrake model, the 21LS is perfect for saltwater harbors and for hosting large groups of up to 12 people. At 21' length, this lapstrake takes the 18LS and adds additional luxuries and amenities such as EZ access trash receptacle, elevated beveled glass table, and overhead dome lighting plus enhanced performance attained through 12 heavy duty 8 volt marine batteries. In the 21LS, we've combined every conceivable amenity, comfort, and storage solution, with our renowned laser-like focus on engineering quality.
